

DEWSHINE (she/her) (any ethnicity): Swift and graceful, she is the most agile and free-spirited of the Wolfriders... Just don't confuse free-spirit for pushover, she'll gladly spear dinner at a moment's notice and would rather be with the tribe in the hunt than back at the Holt.

CASTING SIDES: Dewshine goes off to the hunt with her fellow Wolfriders, and rebuffs being reprimanded by Leetah.

DEWSHINE

Look, I found ropes in one of the huts! Now we can catch the beasts as well as turn them!

LEETAH

Dewshine! You're not going with the hunters, are you?!

DEWSHINE

Of course I am!

LEETAH

But it's not a maiden's place to...

DEWSHINE

What?! Why not?!

LEETAH

Well...because...b-because...

DEWSHINE

Shame on you, Leetah! Don't you know your own mind...about anything?

Dewshine marches off.
